COMPLIANCE WITH THIS PUBLICATION IS MANDATORY

NOTICE: This publication is available digitally on the SAF/AAD WWW site at: <http://afpubs.hq.af.mil>. If you lack access, contact your Publishing Distribution Office (PDO).

This instruction implements Air Force Policy Directive (AFPD) 36-20, *Accession of Air Force Military Personnel*. It tells how to enlist qualified individuals into the Regular Air Force (RegAF) and the Delayed Entry Program (DEP) and how to:

- Access Air Reserve Component (ARC) members onto specified Extended Active Duty (EAD) tours.
- Access ARC members who apply for RegAF enlistment while on EAD.
- Reenlist officers with a statutory entitlement.
- Reenlist airmen removed from Temporary Disability Retired List (TDRL).

It provides procedures for the Initial Enlistment Bonus (IEB) program. This publication applies to ARC units and members. This Air Force Instruction (AFI) also applies to Air National Guard (ANG) with exception of chapters 1, 4, and 5. Refer questions or suggested changes to Headquarters Air Force Personnel Center (HQ AFPC), Directorate of Personnel Program Management (DPP), Special Actions Section (DPPAES), 550 C Street West Suite 10, Randolph AFB TX 78150-4712. Refer to attachment 1 for Glossary of References and Supporting Information.

This instruction does not supplement or supersede the personnel management policies or procedures in other Air Force publications. When guidance in a publication issued by a higher-level unit conflicts with one issued by a field unit, the higher-level publication takes precedence. This instruction directs collecting and maintaining information subject to the Privacy Act of 1974 authorized by Title 10, United States Code (USC), Chapter 31, Sections 504, 505, 508, 513, 1163, 8258, 8914, 12102, and 12310. System of Records Notice F035 AF MP H, *Air Force Enlistment/Commissioning Records System*, applies. Reference AFI 37-132, paragraph 6.1, *Air Force Privacy Act Program*. Process supplements that affect any military personnel function as shown in AFI 37-160, volume 1, *The Air Force Publications and Forms Management Programs--Developing and Processing Publications*, and HQ AFPC/DPPAES must coordinate. The reporting requirements in this directive are exempt from licensing IAW para. 2.11.5 and 2.11.10 of AFI 37-124, *The Information Collections and Reports (ICR) Management Program*.

Chapter 1

ENLISTMENT IN THE REGULAR AIR FORCE (RegAF)

Section A—Enlistment Authority

1.1. RegAF Enlistment Authority. The Secretary of the Air Force (SAF) under Title 10, USC, chapter 31, may approve or deny the enlistment of qualified, effective, and able-bodied persons into the RegAF.

1.1.1. During emergencies or war, HQ AFPC Director of Personnel Program Management (DPP), in conjunction with higher authorities, decides if the situation calls for delegating enlistment standards to HQ Air Force Recruiting Service (AFRS).

1.2. Enlistment Waiver Authority. HQ AFRS/CC may waive disqualifying factors not set by statute or otherwise stated in this instruction. AFRS may further delegate this waiver authority to Air Force Recruiting Groups and Squadrons.

1.2.1. HQ Air Education and Training Command (AETC) Office of the Command Surgeon General (SG) or the appropriate Major Command (MAJCOM) SG may waive physical standards for enlistment.

1.3. Enlistment Eligibility Determination Authority. HQ AFRS Operations Division (RSO) makes eligibility determinations for previous service applicants whose eligibility is in doubt because:

- The applicant's Reenlistment Eligibility (RE) code and Separation Program Designator (SPD) data are not available through the Defense Manpower Data Center (DMDC).
- The DMDC report, Project Capture, and separation documents regarding RE code or SPD information differs.
- Project Capture shows alpha or numeric data in the Unfavorable Information File (UIF) column.
- The Personnel Reliability Program (PRP) column shows:
 - M - temporarily decertified.
 - P - permanently decertified from a critical nuclear weapons duty position.
 - Q - permanently decertified during initial screening.
 - R - permanently decertified from a controlled nuclear weapons duty position.
- Member's control Air Force Specialty Code (AFSC) is:
 - 9A000 - Airman Awaiting Retraining - Disqualified for Reasons Beyond Control.

(**NOTE:** Type in the Remarks section of the DD Form 1966 and have the applicant initial, "I am an American Indian born in Canada as defined in Immigration and Naturalization Service Regulation 8 CFR 289.1.") Contact Headquarters United States Air Force (HQ USAF) Accessions Policy (DPXFA) for guidance on native American-born Indians.
- ★1.4.6. Enlist for at least 4 years. HQ USAF Force Structure Division (DPXP) authorizes 6-year enlistments in selected Air Force Specialties (AFS).

NOTE: Six-year enlistments require applicants to be high school graduates or higher (Tier 1).

- 1.4.7. Enlist in an AFS other than intelligence if the applicant formerly served in the Peace Corps. (No waivers granted.) Refer questions to HQ USAF/DPXF.
- 1.4.8. Are a member of an ARC, not on EAD tour, and want to apply for a RegAF enlistment, when HQ USAF Military Personnel Policy (DPX) announces AFS openings.
- ★1.4.9. If enlisting as PS and the applicant is:
 - Enlisting in a previously awarded AFS, Armed Services Vocational Aptitude Battery (ASVAB) score validation is not required.
 - Retraining into a new AFS, ASVAB score validation is required.

1.5. Enlistment Date of Rank and Grade. See attachment 4.

Section C—Acceptability for Enlistment

1.6. Accessing Offices:

Chapter 2

VOLUNTARY AND INVOLUNTARY EXTENDED ACTIVE DUTY (EAD) FOR AIR RESERVE COMPONENT (ARC) AIRMEN

Section A—EAD Programs

2.1. ARC Processing Procedures. This chapter tells how to process ARC members voluntarily or involuntarily ordered to EAD:

- 2.1.1. Members separate under AFI 36-3208, *Administrative Separation of Airmen*, after completing their EAD tour and return to their former ARC status.

2.1.2. Individuals disqualified but not subject to separation under AFI 36-3208 leave involuntarily and return to their former ARC status.

2.1.3. Personnel separated prior to completing their EAD tour are ineligible for other recall programs.

Section B—Voluntary Airman EAD Recall Programs

2.2. Voluntary Retired Airman EAD Recall Program. This program offsets shortages of trained airmen in critically manned skills:

2.2.1. HQ USAF/DPX. Determines the need for the program and informs HQ AFPC/DPPAES.

2.2.2. Individuals. Individuals must:

2.2.4. Status of Retired Airman on EAD. Under Title 10, USC, Section 8914, a RegAF enlisted member with at least 20, but less than 30, years of service may upon request be retired. A retiree recalled to AD:

Participating ARC member submits an application letter for EAD (attachment 6) through the servicing MPF who sends it to 737 TRG/CCS, 1618 Truemper Street Suite 3, Lackland AFB TX 78236-5533. The MPF includes, with the application letter, the documents listed in attachment 7.

2.3.4. 737 TRG/CCS:

Section C—Involuntary EAD Programs

2.6. Disenrolled Air Force Academy (AFA) or Air Force Reserve Officer Training Corps (AFROTC) Cadets. This program allows disenrolled AFA and AFROTC cadets to repay their obligation to the Air Force by serving on EAD as an enlisted member without discrimination and without regard to financial status, and is not considered a punitive action. For further guidance, see AFI 36-2020, *Disenrollment of United States Air Force Academy Cadets*, for AFA cadets and AFI 36-2011, *Air Force Reserve Officer Training Corps (AFROTC)*, for AFROTC cadets.

2.6.1. Involuntary EAD. The SAF determines if involuntary EAD or financial reimbursement is appropriate and notifies HQ AFPC/DPPAES of cadets identified for involuntary EAD. For AFA cadets, active duty in enlisted status is the primary form of reimbursement; recoupment of money is available only if the member voluntarily or through misconduct, or for other reasons specified in the contract, fails to complete the active duty obligation. For disenrolled ROTC cadets, SAF can elect AD or recoupment.

2.6.2. HQ AFPC/DPPAES:

2.6.2.1. Establishes airman accession file in the Personnel Data System (PDS) to monitor disenrolled cadets to ensure fulfillment of Active Duty Service Commitment (ADSC).

2.6.2.2. Notifies member's base finance to initiate recoupment action upon notification of early separation of former cadets on EAD.

2.6.2.3. For educational delay cadets only:

- Confirms approved educational delay with AFA or AFROTC.
- Informs members of requirement to submit a verification of registration from their school no later than 60 days after the start of their educational delay. They must:
 - Include major and projected graduation date in their verification.

- Verify their registration every February and October until the educational delay ends. *NOTE:* HQ AFPC/DPPAES orders to EAD within 30 days, members failing to maintain full-time student status (at least 15 semester hours for AFA; 12 for AFROTC) or who disenroll.
 - Provides member's AFS choices to 2AF Resources Section (DOPC) and assignment preferences to HQ AFPC Airman Assignments (DPAAD) including projected Report No Later Than Date (RNLTD) approximately 60 days prior to projected EAD.
 - Provides EAD order with ADSC, AFS, and duty location to member no later than 10 days prior to projected EAD.
- 2.6.2.4. AFA issues EAD orders for those without an education delay (AFA cadets only). HQ AFPC/DPPAES issues all other EAD orders.
- 2.6.3. Request for Release from EAD or Military Service Obligation (MSO) Commitment. MPFs refer to AFI 36-2020 for AFA and AFI 36-2011 for AFROTC.

Chapter 3

3.3.2.9. Distributes enlistment documents per AFI 36-2606.

★3.3.3. When notified of enlistment, HQ AFPC/DPPAES accesses member into PDS using AA109 Personnel Transaction Identifier (PTI). HQ AFPC/DPAAD provides end assignment to servicing MPF. Upon enlistment, prior to PCS, member will be utilized at the discretion of the Mission Support Squadron commander.

3.4. Reserve (Non-Regular) Air Force Officer with Statutory Enlistment Entitlement. Under Title 10, USC, Section 8258, *Regular Air Force Reenlistment After Service as an Officer*, certain officers with prior enlisted service (including those twice nonselected for promotion and those separated due to elimination from flying or technical training) may request authority to enlist.

3.4.1. 3.4.3. Application Procedures:

3.4.3.1. Submit applications through the MPF, if on active duty, or directly to HQ AFPC/DPPAES (attachment 9) if separated for less than 6 months.

3.4.3.2. HQ AFPC/DPPAES verifies eligibility and provides a memorandum authorizing reenlistment at nearest MPF.

3.4.3.3. MPF receives the HQ AFPC/DPPAES memorandum and:

- Sets a reenlistment date at least 10 days out to allow for classification and assignment coordination.
- Processes applicants without regard to age, physical disqualification incurred in line of duty while on active military service, or existing vacancy in their grade.
- Reenlists members in enlisted grade with the DOR cited in HQ AFPC/DPPAES memorandum.

★3.5. Retirement Eligible Officers. Retirement eligible officers with less than 10 years commissioned service may reenlist, for the purpose of immediate retirement, in the highest enlisted grade previously held.

NOTE: The FY91 NDAA, 5 November 1990, reduced the number of years of commissioned service from 10 to 8 years, until 30 September 1999. The services will determine the use of that provision by law. See AFI 36-3203, *Service Retirements*, and contact HQ AFPC/DPPRD for processing guidance.

3.6. ARC Members on Voluntary or Involuntary EAD Including Mobilized Personnel:

3.6.1. Qualifications:

3.6.1.1. Be on voluntary or involuntary EAD whose end strength accountability transfers to RegAF. **NOTE:** Full time Active Guard Reserve (AGR) or ARC members on a Title 10, USC, Section 12310 tour are ineligible (identified in PDS as functional category X).

Satisfactory service from ANG or AFRES only accrues in 1-year increments. Months and days do not count for satisfactory service. **EXAMPLE:**

Current Age	37	02	12
TAFMS	04	05	17
Adjusted Age	32	08	25
Total Satisfactory Serv	06	00	00

Adjusted Age	26	08	25

- Applicants may submit a justified exception to policy with their completed application (not intended to imply approval). **NOTE:** Title 10, USC Section 505 prohibits enlisting anyone 35 years or older after adjustment for TAFMS.

3.6.2. Application Procedures:

3.6.2.1. Member submits an enlistment request through local MPF to HQ AFPC/DPPAES no earlier than 120 days nor later than 60 days prior to DOS. Include:

3.6.4.4. Notifies MPF by CRT-gram of approval or disapproval.

3.6.4.5. Forwards completed (except for signature blocks) AF Form 3006 to enlisting MPF prior to projected enlistment date of member.

CONDITIONS THAT MAKE APPLICANTS INELIGIBLE TO ENLIST

A2.1. Ineligibility Conditions. Applicant is ineligible to enlist when one of the following conditions (refer questionable cases to HQ USAF/DPXFA for paragraphs A2.1.1 - A2.1.5) exists:

★A2.1.1. Intoxicated or under the influence of alcohol or drugs at any time during enlistment processing or has been involved with narcotics, dangerous drugs, diagnosed as an alcoholic or alcohol abuser or who self-admits to alcoholism or alcohol abuse, or has had a positive Drug and Alcohol Test (DAT). Forward waivers of preservice drug use or involvement for other than marijuana through AFRS channels to HQ AFRS/CC. They will consider waivers only for limited preservice use of amphetamines, barbiturates or unprescribed anabolic androgenic steroid usage. Marijuana usage after signing AF Form 2030, **USAF Drug and Alcohol Abuse Certificate**, makes the applicant ineligible for enlistment or waiver consideration. A positive DAT renders an applicant ineligible for waiver consideration. An applicant who completes treatment for alcoholism will be considered for waiver after 2 years alcohol free.

A2.1.2. Has questionable moral character, history of antisocial behavior (including psychosis), frequent difficulties with law enforcement agencies, transsexualism and other gender identity disorders, exhibitionism transvestitism voyeurism, and other paraphilias, or homosexual conduct. See attachment 11 for explanation of the Air Force policy on homosexual conduct and eligibility determination procedures involving evidence of homosexual conduct.

A2.1.3. Enlistment is not clearly consistent with national security interest according to AFI 31-501, *Personnel Security Management Program*.

A2.1.4. Conscientious objector, person with personal beliefs, convictions, or religious practices precluding unrestricted duties or assignments; received a presidential pardon for draft evasion.

A2.1.5. A high school graduate with an ASVAB AFQT score less than 21; an alternate credential holder (GED) with an AFQT score less than 50; non-high school graduate with an AFQT less than 65.

NOTE: AFRS/CC, with USAF/DP approval, may set a higher operational standard for the AFQT. Mental Category IV (AFQT 21-30) enlistments must not exceed 1% of total NPS enlistments. Ninety-nine percent of all NPS enlistments must be high school graduates or higher (Tier 1 as defined by the Department of Defense.)

★A2.1.6. Previously served in any other country's Armed Forces. (Waiver authority is HQ AFRS/RSO.)

A2.1.7. Under restraint imposed by civil or criminal court or subpoena ordering attendance on some specified future date (includes those relieved from restraint on the condition of enlistment). (No waivers authorized.)

A2.1.8. Civil or criminal charges filed or pending (includes those released from charges on condition of enlistment). In civil suit cases only, a person may enlist provided they obtain a statement of nonappearance from legal or court officials. HQ AFRS/RSO renders eligibility determinations in these cases (no further delegation authorized).

A2.1.9. Receiving disability compensation from any Federal or other agency. (No waivers authorized.)

A2.1.10. Has excessive or distracting tattoos. Persons with tattoos that are obscene, advocate sexual, racial, ethnic, or religious slurs are ineligible. Persons with excessive tattoos, when exposed from a military uniform that detract from a proper military image, are ineligible. This is not waivable. Refer doubtful cases to HQ AFRS/RSO for eligibility determination.

A2.1.11. On active duty or active duty for training with any branch of the United States Armed Forces. Acceptance into an Air Force commissioning or appointment program renders warrant officers and enlisted personnel from any branch of the United States Armed Forces eligible for enlistment. However, failure to complete the program renders the enlistee ineligible to remain in or revert to enlisted status in the Air Force. Reserve officers from any Guard or Reserve component not currently on EAD and who were only on EAD for training, may apply for nonprior service enlistment through AFRS. AFRS advises members they cannot hold a warrant officer or Reserve commission in an Armed Force other than the Air Force.

★A2.1.12. Has ever held a commission in any Regular or Reserve component. **EXCEPTION:** All warrant officers are eligible to enlist for the sole purpose of attending a precommissioning program or to apply for any direct commissioning program.

A2.1.13. Discharged or separated from any branch of the armed forces with a reenlistment eligibility (RE) code or separation designator/number (SPD) barring reenlistment:

A2.1.13.1. Applicants with a General Discharge and an RE code upgraded to a "1" are exceptions and may apply for enlistment. HQ AFRS verifies eligibility (no further delegation authorized).

A2.1.13.2. Regular and Reserve (non-rated) officers on active duty without statutory entitlement, eliminated from flying or technical training, with less than 2 years of active duty may apply for nonprior service enlistment through AFRS. These individuals do not attend enlisted basic training.

★A2.1.13.3. Do not give waivers for:

- Interservice Reenlistment Code (IRC) of 4 or Interservice Separation Code (ISC) of 60 through 87. Consider ISC 87 case by case.
- Air Force RE code 3S or 3V with an SPD code of MCA (accepted VSI) or MCB (accepted SSB).

- Discharges under authority of AFI 36-2902, *Physical Evaluation for Retention, Retirement, and Separation*, and identified on DD Form 214 with an SPD code of JFM (disability existed prior to service - no severance pay).
- RE code 2Q.
- Separated from RegAF for a period of less than 3 months.

★A2.1.13.4. Consider waivers for the following (approval and disapproval authority delegated no lower than HQ AFRS/RSO level):

- Separated with 5 or more days lost time.
- Separated from a regular component in pay grade E-3 or lower after 24 or more months TAFMS. Must have no other disqualifying factor.
- Separated for physical condition during basic or technical training. Applicant must furnish proof the physical defect responsible for separation no longer exists and have HQ AETC Physical Standards Division (SGPS), certification of acceptability for enlistment.
- Air Force RE code 3 or 4 (convert other service's narrative reason for discharge to an Air Force RE code.) Contact HQ AFPC/DPPAES for guidance in questionable cases.
- Separated from OTS.

A2.1.14. Retired, eligible for retired pay under any provisions of law, or retired and serving on extended active duty (EAD) in a Reserve status. (No waivers authorized.)

A2.1.15. A non US citizen or US national with 24 or more months TAFMS in any branch of the United States Armed Forces. (No waivers authorized.):

A2.1.15.1. Treat persons born in American Samoa or Swains Islands as United States nationals; they do not have to hold lawful permanent residence status and will not possess an alien registration card.

★A2.1.16. Applicant is less than 18 years of age or more than 27 years of age.

NOTE: Title 10, USC, Section 505, prohibits enlistment of anyone 35 or over. In unique or unusual cases, route age waivers for applicants between 27 and 35 years of age, through chain of command to HQ AFPC/DPPAES:

A2.1.16.1. Minimum age for enlistment is 17 provided applicant is a high school graduate or an enrolled high school senior. A 17-year old single enlistee must have parental or guardian consent on the DD Form 1966, **Record of Military Processing - Armed Forces of the United States**, prior to enlistment processing *except* for the ASVAB. Emancipated 17-year old may enlist with an approved parental consent waiver from the Air Force Recruiting Squadron (AFRSQ) Commander (CC).

A2.1.16.2. Age, when reduced by TAFMS, must equal less than 28 years. However; if applicant has previous satisfactory service in an Air Reserve Component (ARC) (verified by AF Form 526), age must first equal less than 35, when reduced by TAFMS and when further reduced by years of satisfactory service in the ARC, it must equal less than 28 years.

★A2.1.17. Applicant is:

- Single, divorced, separated, has a military spouse or common-law spouse *and* has legal or physical custody of any family member incapable of self-care. (No waiver authorized.)
- Married to a civilian spouse and wishes to enlist in pay grade E-3 or lower *and* has two or more family members incapable of self-care. (Waiver authorized at HQ AFRS level.)
- A member of the United States Armed Forces, either as an active duty member or holding status with the ARC, and is married to a member of the United States Armed Forces who is either active duty or holding status with the ARC.

A2.1.17.1. For accession purposes the Air Force defines a family member as:

- A spouse.
- Any person under the age of 18 of whom the applicant or spouse has legal or physical custody, control, care, maintenance, or support. This includes children from a previous marriage, a relative by blood or marriage, and the applicant's or spouse's stepchildren or adopted children.
- The applicant's or spouse's unmarried natural children, regardless of where the children live. The term "natural child" includes children born out of wedlock.
- Any persons who rely upon the applicant or spouse for their care, maintenance, or support regardless of age.
- For male applicants only, the spouse's unborn child, one the applicant claims, or one a court order determines to be his. **NOTE:** Pregnant female applicants are ineligible under medical criteria.

A2.1.17.2. Applicants who give up legal and physical custody of family members through court order, incapable of self-care, are eligible with an approved HQ AFRS dependency eligibility determination.

A2.1.17.3. Take any pending changes in an applicant's family member status such as a pregnancy, divorce, separation, etc., into consideration at time of processing for RegAF enlistment.

A2.1.18. Applicant eliminated from an officer candidate training program based on punitive or administrative actions involving defective character traits, unsuitability, alcohol or drug abuse. Prior to processing, applicant must provide a DD Form 785, **Record of Disenrollment from Officer Candidate-Type Training**, or a memorandum from the releasing agency

containing the same DD Form 785 information. Refer questionable cases to HQ AFRS/RSO for eligibility determination. *EXCEPTION:* Disenrolled AFROTC and USAFA cadets (who must fulfill an active duty service obligation) may enlist provided HQ AFPC/DPPAES approves a DD Form 368, **Request for Conditional Release**.

A2.1.19. Applicants applying for RegAF enlistment are ineligible if financial screening reveals excessive debts or questionable credit history. All applicants 23 years or older, or who have dependents will require financial screening. A Financial Eligibility Determinations (FED) may be processed on all applicants who exceed debt ratio as determined by HQ USAF/DPX or questionable credit history as determined by HQ USAF/AFRS.

APPLICANTS WITH A CONVICTION OR ADVERSE ADJUDICATION OF AN OFFENSE

A3.1. Matrix and guidance for eligibility determinations applied to the Uniform Guide List (UGL) in paragraph A3.2:

★A3.1.1. Applicants with one or more convictions or adverse adjudications from paragraphs A3.2.1 (category 1), A3.2.2 (category 2) or A3.2.3 (category 3) in a lifetime require an approved waiver of morals disqualification.

★A3.1.2. Applicants with two or more convictions or adverse adjudications in the last 3 years, or three or more convictions or adverse adjudications in a lifetime, from paragraph A3.2.4 (category 4) require an approved waiver of morals disqualification.

★A3.1.3. Applicants with six or more convictions or adverse adjudications in any 365-day period in the last 3 years from paragraph A3.2.5 (category 5) require an approved waiver of morals disqualification.

A3.1.4. In evaluating an arrest record, information indicating acquittal, dropped charges, expunged record, case dismissal, or that the individual was the subject of a “*nolle prosequi*,” does not negate the significance of the underlying conduct. Therefore, to protect the interest of the Air Force, base eligibility determinations on available information concerning a person’s conduct and actions rather than the legal outcome of a criminal proceeding:

A3.1.4.1. These factors may mitigate disqualifying information. Consider them in the waiver process:

- Immaturity attributable to the age of the individual at the time of the offense.
- Circumstances surrounding the offense.
- Isolated nature of the conduct.
- Incident occurred in one’s youth with no subsequent criminal conduct.

A10.1.1. Military Entrance Processing Stations (MEPS) discovering errors in a form prior to an enlistee's departure will reaccomplish the form.

A10.1.2. Errors discovered after enlistee's departure from MEPS: Contact 369 Air Force Recruiting Group (RCG) Recruiting Service Liaison (RSL), DSN 673-3841 or CM 210-671-3842, with member's name, SSN, date of enlistment, and summary of discrepancies. Agencies listed in paragraphs A10.2.-6. below may make corrections to enlistment documents as indicated.

A10.1.3. Line out erroneous entry, insert correct data, and have member and Air Force representative initial the correction. Include a short statement in a clear area of the form identifying the item corrected, date corrected, and activity making the correction. Annotate the top of the form with *Corrected Copy*.

A10.1.4. The activity making the correction will make required systems updates.

A10.2. 319 TRS. 319 TRS Processing Flight (TPPP) identifies and corrects errors, including:

- Misspelled names.
- Incorrect Social Security numbers.
- Other obvious typographical errors.

A10.2.1. Refer these errors to 369 RCG/RSL for correction:

- Enlistment grade.
- Term of enlistment.
- Missing signature.
- Problems with enlistment incentive options.

A10.2.2. 369 RCG/RSL coordinates changes to documents with 319 TRS/TPPP to ensure 319 TRS/TPPP has updated PDS and made administrative corrections.

A10.2.3. Forward a copy of all changes to HQ AFPC/DPPAES for inclusion in the member's master personnel file.

A10.3. Corrective Actions. 369 RCG/RSL determines appropriate corrective action on enlistment agreement errors and effects contract changes on enlistees not offered the proper enlistment incentive, having erroneous enlistments, or not properly processed for reenlistment:

A10.3.1. After reviewing the circumstances, they notify 319 TRS/TPPP of the corrective action taken.

NOTE: Refer corrective action changing an enlistee's guaranteed Air Force Specialty or Aptitude Index to 319 TRS/TPCAR.

A10.3.2. Counsel enlistees with an erroneous enlistment (guaranteed an option they do not qualify for) on their ineligibility and accomplish a new agreement:

A10.3.2.1. A member who does not want a new agreement must ask for separation for Nonfulfillment of Enlistment Agreement.

A10.3.2.2. If they agree to the change but believe an injustice occurred, provide them a copy of DD Form 149, **Application for Correction of Military Record Under the Provisions of Title 10, USC, Section 1552**, and copies of the incorrect and new agreement. Forward a copy of both agreements to HQ AFPC/DPPAES for inclusion in the member's master personnel file.

IMPLEMENTATION OF THE AIR FORCE POLICY ON HOMOSEXUAL CONDUCT

A11.1. DoD Policy. DoD Directive 1304.26, *Qualification Standards for Enlistment, Appointment and Induction*, dated 21 December 1993, sets DoD policy on accession procedures concerning homosexual conduct. This directive provides the following information and guidance.

A11.2. Terms explained:

A11.2.1. **BISEXUAL.** A person who engages in, attempts to engage in, has a propensity to engage in, or intends to engage in homosexual and heterosexual acts.

A11.2.2. **DECISION MAKING AUTHORITY.** The command authority designated (see below) to determine applicant eligibility for military service, when, through the normal accession process, an applicant reveals, or evidence is presented demonstrating that an applicant has engaged in homosexual conduct.

IF THE APPLICANT IS A CIVILIAN AND APPLYING FOR: (See Note 1)	THEN, DECISION MAKING AUTHORITY IS: (See Note 2)
Regular Air Force (Enlisted)	AFRS/CC
Air Force Reserve	HQ AFRES/RS
Air National Guard	ANGRC/DP
Officer Training School Precommissioning Program	AFRS/CC
Medical Service Officer	AFRS/CC
The Judge Advocate General's Department	AF/JAX
Air Force Chaplaincy	AF/HCP
Air Force Reserve Officer Training Corps	AFROTC/CC
United States Air Force Academy	USAFA/SUPT

NOTE: 1. HQ AFPC/DPP is the decision making authority for individuals: Being reinstated to military service by the Board for Correction of Military Records; removed from the Temporary Disability Retired List; entering Extended Active Duty after disenrollment from the Air Force Academy or Air Force Reserve Officer Training Corps; or entering extended Active Duty as an enlisted member after a reduction in force terminated their service as a commissioned officer.

2. The eligibility determination of the decision making authority is final.

A11.2.3. **HOMOSEXUAL.** A person, regardless of sex, who engages in, attempts to engage in, has a propensity to engage in, or intends to engage in homosexual acts.

A11.2.4. **HOMOSEXUAL ACT.** A homosexual act is:

A11.2.4.1. Any bodily contact, actively undertaken or passively permitted, between members of the same sex for the purpose of satisfying sexual desires; and,

A11.2.4.2. Any bodily contact (for example, hand holding or kissing, in most circumstances) that a reasonable person would understand to demonstrate a propensity or intent to engage in an act described in paragraph A11.2.4.1.

A11.2.5. **HOMOSEXUAL CONDUCT.** A homosexual act, a statement by an applicant that demonstrates a propensity or intent to engage in homosexual acts, or a homosexual marriage or attempted marriage.

A11.2.6. **HOMOSEXUAL MARRIAGE.** A homosexual marriage or attempted marriage is when a member has married or attempted to marry a person known to be of the same biological sex.

A11.2.7. **PROPENSITY.** Propensity to engage in homosexual acts means more than an abstract preference or desire to engage in homosexual acts; it indicates a likelihood that a person engages in, or will engage in homosexual acts.

A11.2.8. **SEXUAL ORIENTATION.** An abstract sexual preference for persons of a particular sex, as distinct from a propensity or intent to engage in sexual acts.

A11.2.9. **STATEMENT THAT A PERSON IS A HOMOSEXUAL OR BISEXUAL, OR WORDS TO THAT EFFECT.** Language or behavior that a reasonable person would believe was intended to convey the statement that a person engages in, attempts to engage in, or has a propensity or intent to engage in homosexual acts. This includes statements such as "I am a homosexual", "I am gay", "I am a lesbian", "I have a homosexual orientation", and the like.

A11.3. DoD's Policy on Homosexual Conduct.

A11.3.1. Congress has determined that the policy on homosexual conduct in the Armed Forces is based upon the following findings, which are codified at section 654 of Title 10, United States Code:

A11.3.1.1. Section 8 of Article I of the Constitution of the United States commits exclusively to the Congress the powers to raise and support armies, provide and maintain a Navy, and make rules for the government and regulation of the land and Naval Forces.

A11.3.1.2. There is no constitutional right to serve in the Armed Forces.

A11.3.1.3. Pursuant to the Powers conferred by Section 8 of Article I of the Constitution of the United States, it lies within the discretion of the Congress to establish qualifications for and conditions of service in the Armed Forces.

A11.3.1.4. The primary purpose of the Armed Forces is to prepare for and to prevail in combat should the need arise.

A11.3.1.5. The conduct of military operations requires members of the Armed Forces to make extraordinary sacrifices, including the ultimate sacrifice, in order to provide for the common defense.

A11.3.1.6. Success in combat requires military units that are characterized by high morale, good order and discipline, and unit cohesion.

A11.3.1.7. One of the most critical elements in combat capability is unit cohesion, that is, the bonds of trust among individual service members that make the combat effectiveness of a military unit greater than the sum of the combat effectiveness of the individual unit members.

A11.3.1.8. Military life is fundamentally different from civilian life in that:

- The extraordinary responsibilities of the Armed Forces, the unique conditions of military service, and the critical role of unit cohesion, require that the military community, while subject to civilian control, exist as a specialized society; and
- The military society is characterized by its own laws, rules, customs, and traditions, including numerous restrictions on personal behavior, that would not be acceptable in civilian society.

A11.3.1.9. The standards of conduct for members of the Armed Forces regulate a member's life for 24 hours each day beginning at the moment the member enters military status and not ending until that person is discharged or otherwise separated from the Armed Forces.

A11.3.1.10. Those standards of conduct, including the Uniform Code of Military Justice, apply to a member of the Armed Forces at all times that the member has a military status, whether the member is on base or off base, and whether the member is on duty or off duty.

A11.3.1.11. The pervasive application of the Standards of Conduct is necessary because members of the Armed Forces must be ready at all times for worldwide deployment to a combat environment.

A11.3.1.12. The worldwide deployment of the United States military forces, the international responsibilities of the United States, and the potential for involvement of the Armed Forces in actual combat routinely make it necessary for members of the Armed Forces involuntarily to accept living conditions and working conditions that are often spartan, primitive, and characterized by forced intimacy with little or no privacy.

A11.3.1.13. The prohibition against homosexual conduct is a long-standing element of military law that continues to be necessary in the unique circumstances of military service.

A11.3.1.14. The Armed Forces must maintain personnel policies that exclude persons whose presence in the Armed Forces would create an unacceptable risk to the Armed Forces' high standards of morale, good order and discipline, and unit cohesion that are the essence of military capability.

A11.3.1.15. The presence in the Armed Forces of persons who demonstrate a propensity or intent to engage in homosexual acts would create an unacceptable risk to the high standards of morale, good order and discipline, and unit cohesion that are the essence of military capability.

A11.3.2. A person's sexual orientation is considered a personal and private matter, and is not a bar to service entry or continued service unless manifested by homosexual conduct in the manner described in paragraph A11.3. Applicants for enlistment, appointment, or induction shall not be asked or required to reveal whether they are heterosexual, homosexual, or bisexual. Applicants also will not be asked or required to reveal whether they have engaged in homosexual conduct, unless independent evidence is received indicating that an applicant engaged in such conduct or unless the applicant volunteers a statement that he or she is a homosexual or bisexual, or words to that effect.

A11.3.3. Homosexual conduct is grounds for barring entry into the Air Force, except as otherwise provided in this paragraph. Homosexual conduct is a homosexual act, a statement by an applicant that demonstrates a propensity or intent to engage in homosexual acts, or a homosexual marriage or attempted marriage. Propensity to engage in homosexual acts means more than an abstract preference or desire to engage in homosexual acts; it indicates a likelihood that a person engages in, or will engage in homosexual acts.

A11.3.3.1. An applicant shall be rejected for entry into the Armed Forces if, in the course of the accession process, evidence is received (see notes 1-4) demonstrating that the applicant engaged in, attempted to engage in, or solicited another to engage in a homosexual act or acts, unless there is a further determination that:

- Such acts are a departure from the applicant's usual and customary behavior;
- Such acts, under all the circumstances, are unlikely to recur;

- Such acts were not accompanied by use of force, coercion, or intimidation; and,
- The applicant does not have a propensity or intent to engage in homosexual acts.

NOTES:

1. If the applicant is the source of the evidence received, the applicant will be notified (by the recruiter or other procurement source personnel) that he or she is disqualified for military service under current policy and will be given 10 calendar days to present written evidence (such as statements) to demonstrate why he or she is not disqualified.

2. If the evidence is received from a source other than the applicant, the decision making authority must determine the credibility of evidence. If the evidence (from another source) is determined to be credible, the decision making authority will notify the applicant in writing that he or she is disqualified for military service and the reason for the disqualification (evidence of homosexual acts). The applicant will be given 10 calendar days to present written evidence (such as statements) to counter the credibility of the evidence received and/or to demonstrate why he or she is not disqualified.

3. If the applicant presents written evidence, it will be forwarded through normal channels to the decision making authority. The decision making authority will review the written evidence, determine the applicant's eligibility for military service, and notify the applicant in writing of the final decision made.

4. The applicant does not have the right to any other recourse or rights of appeal than those described in this paragraph.

A11.3.3.2. An applicant shall be rejected for entry into the Air Force if he or she makes a statement that he or she is a homosexual or bisexual, or words to that effect, unless there is a further determination (see notes 1-3) that the applicant has demonstrated that he or she is not a person who engages in, attempts to engage in, has a propensity to engage in, or intends to engage in homosexual acts.

NOTE: 1. The applicant has 10 calendar days to present written evidence (such as statements) to rebut the presumption (from a statement that he or she is a homosexual or bisexual, or words to that effect) that the applicant engages in, attempts to engage in, intends to engage in, or has a propensity to engage in homosexual acts.

2. If the applicant presents written evidence, it will be forwarded through normal channels to the decision making authority. The decision making authority will review the written evidence, determine the applicant's eligibility for military service, and notify the applicant in writing of the final decision made.

3. The applicant does not have the right to any other recourse or rights of appeal than those described in this paragraph.

A11.3.3.3. An applicant shall be rejected for entry into the Armed Forces if, in the course of the accession process, evidence is received (see notes 1-4) demonstrating that an applicant has married or attempted to marry a person known to be of the same biological sex (as evidenced by the external anatomy of the persons involved).

NOTES:

1. If the applicant is the source of the evidence received, the applicant will be notified (by the recruiter or other procurement source personnel) that he or she is disqualified for military service under current policy.

2. If the evidence is received from a source other than the applicant, the decision making authority must determine the credibility of evidence. If the evidence (from another source) is determined to be credible, the decision making authority will notify the applicant in writing that he or she is disqualified for military service and the reason for the disqualification (e.g., homosexual marriage). The applicant will be given 10 calendar days to present written evidence (such as statements) to counter the credibility of the evidence received.

3. If the applicant presents written evidence, it will be forwarded through normal channels to the decision making authority. The decision making authority will review the written evidence, determine the applicant's eligibility for military service, and notify the applicant in writing of the final decision made.

4. The applicant does not have the right to any other recourse or rights of appeal than those described in this paragraph.

A11.3.4. Prior to oath of enlistment, applicant will be informed of separation policy (Title 10, USC, Section 654 (b), see paragraph A11.4). Failure to receive such information shall not constitute a defense in any administrative or disciplinary proceeding.

A11.3.5. Nothing in these procedures requires rejection for entry into the Air Force when the decision making authority (see paragraph A11.2.2) determines:

- That an applicant or inductee made a statement, engaged in acts, or married or attempted to marry a person of the same sex for the purpose of avoiding military service, and
- Rejection of the applicant or inductee would not be in the best interest of the Air Force.

A11.4. Brief applicants, prior to Oath of Enlistment as follows:

Applicant Briefing Item on Separation Policy

As military members, you occupy a unique position in society. You represent the military establishment. This special status brings with it the responsibility to uphold and maintain the dignity and high standards of the U.S. Armed Forces at all times and in all places. The Armed Forces must also be ready at all times for worldwide deployment. This fact carries with it the requirement for military units and their members to possess high standards of morale, good order and discipline, and cohesion. As a result, military laws, rules, customs and traditions include restrictions on your personal behavior that may be different from civilian life. Members of the Armed Forces may be involuntarily separated before their enlistment or term of service ends for various reasons established by law and military regulations. Some unacceptable conduct may be grounds for involuntary separation, such as:

You establish a pattern of disciplinary infractions, discreditable involvement with civil or military authorities or you cause dissent, or disrupt or degrade the mission of your unit. This may also include conduct of any nature that would bring discredit on the Armed Forces in the view of the civilian community.

Because of parental responsibilities you are unable to perform your duties satisfactorily or you are unavailable for worldwide assignment or deployment.

You fail to meet the weight control standards.

Although we have not and will not ask you whether you are a heterosexual, a homosexual, or a bisexual, you should be aware that homosexual acts, statements that demonstrate a propensity or intent to engage in homosexual acts, and homosexual marriages or attempted marriages are grounds for discharge from the Armed Forces. This means that if you do one of the following, you could be involuntarily separated before your term of service ends:

- **HOMOSEXUAL ACTS.** You engage in, attempt to engage in, or solicit another to engage in a homosexual act or acts. A "Homosexual Act" means touching a person of your same sex or allowing such a person to touch you for the purpose of satisfying sexual desires. (For example, hand-holding or kissing, or other physical contact of a sexual nature.)
- **HOMOSEXUAL STATEMENTS.** You make a statement that demonstrates a propensity or intent to engage in homosexual acts. This may include a statement by you that you are a homosexual or bisexual, or words to that effect. It also may include behavior that a reasonable person would believe was intended to convey the statement that you are a homosexual or bisexual.
- **HOMOSEXUAL MARRIAGE.** You marry or attempt to marry a person of your same sex.

You will not necessarily be discharged if you do or say these things solely to end your military service. You may, however, be disciplined.

The Armed Forces do not tolerate harassment or violence against any service member, for any reason.

A11.5. Provide a typed copy of the following to each applicant prior to oath of enlistment:

Restrictions of Personal Conduct in the Armed Forces

Military life is fundamentally different from civilian life. The military has its own laws, rules, customs, and traditions, including numerous restrictions on personal behavior, that would not be acceptable in civilian society. These are necessary because military units and personnel must maintain the high standards of morale, good order and discipline, and unit cohesion that are essential for combat effectiveness.

The Armed Forces must be ready at all times for worldwide deployment. Military law and regulations, including the Uniform Code of Military Justice, apply to service members at all times, both on base or off base, from the time the member enters the service until the member is discharged or otherwise separated from the Armed Forces.

Members of the Armed Forces may be involuntarily separated before their term of service ends for various reasons established by law and military regulations, such as:

- A member may be separated for a pattern of disciplinary infractions, a pattern of misconduct, commission of a serious offense, or civilian conviction.
- A member who has been referred to a rehabilitation program for personal drug and alcohol abuse may be separated for failure through inability or refusal to participate in, cooperate in, or successfully complete such a program.
- A member may be discharged by reason of parenthood, if it is determined the member because of parental responsibilities, is unable to perform his or her duties satisfactorily or is unavailable for worldwide assignment or deployment.
- A member may be separated for violation of laws or regulations regarding sexual conduct of members of the Armed Forces, for example, engaging or attempting to engage in a homosexual act or soliciting another to engage in such an act; for stating that he or she is a homosexual or bisexual, or words to that effect; or for marrying or attempting to marry an individual of the same sex. (See Reverse)
- A member may be separated for failure to meet service weight control standards.
- A member may be separated for harassment or violence against any service member.

Restrictions on Personal Conduct in the Armed Forces

(REVERSE)

Title 10 USC 654 (b)

POLICY. A member of the Armed Forces shall be separated from the Armed Forces under regulations prescribed by the Secretary of Defense if one or more of the following findings is made and approved in accordance with procedures set forth in such regulations:

1. That the member has engaged in, attempted to engage in, or solicited another to engage in a homosexual act or acts unless there are further findings, made and approved in accordance with procedures set forth in such regulations, that the member has demonstrated that:
 - Such conduct is a departure from the member's usual and customary behavior;
 - Such conduct, under all the circumstances, is unlikely to recur;
 - Such conduct was not accomplished by use of force, coercion, or intimidation;
 - Under the particular circumstances of the case, the member's continued presence in the Armed Forces is consistent with the interests of the Armed Forces in proper discipline, good order, and morale; and,
 - The member does not have a propensity or intent to engage in homosexual acts.
2. That the member has stated that he or she is a homosexual or bisexual, or words to that effect, unless there is a further finding, made and approved in accordance with procedures set forth in the regulations, that the member has demonstrated that he or she is not a person who engages in, attempts to engage in, has a propensity to engage in, or intends to engage in homosexual acts.

3. That the member has married or attempted to marry a person known to be of the same biological sex.
